SONNY'S TO ACQUIRE LONE STAR CAR WASH SYSTEMS

12/07/20

PRINTER FRIENDLY

Sonny's Enterprises, the world's largest manufacturer of conveyerized car wash equipment, parts, and supplies, has announced it has entered into a definitive agreement to acquire Lone Star Car Wash Systems based in Texas.

"Our proposal to acquire Lone Star was an easy decision because it allows us to scale up our ability to service clients in Texas faster than ever before," said Paul Fazio, CEO of Sonny's. "We believe this will be a game changer in Sonny's helping Texas car wash owners gain their unfair share."

Through this acquisition, Sonny's CarWash Services of Texas has plans to expand quickly throughout Texas servicing all stages of a car wash project and business. Current car wash owners and potential investors will have a local team to rely on for help with everything from equipment and chemistry, to site and management consulting, maintenance, and repair.

"Creating Sonny's CarWash Services of Texas provides our clients incredible growth opportunities and the best equipment, chemistry, controls, and servicing in the industry. We are grateful for Sonny's partnership and are eager to see what we can continue to achieve together," said Clay Wilson, owner and CEO of Lone Star Car Wash Services.
